Please note we operate under DEFRA rules. All birds being sold should be in clean cages and must be in good health and not overcrowded. Please refer to clause 21 of our published Terms & Conditions which state “canaries & foreign finches etc must not be overcrowded and in these instances the BKA floor manager’s decision is final.

All British birds must be close rung. Due to situations arising during previous events the BKA will be carrying out independent inspections to ensure there is no breach of the law governing the display for sale of British birds.

Please indicate the category of birds you will be offering for sale and the approximate number of birds you will be bringing to the show:
